9/27/66

Harold —

If you haven't seen it get
look for the London Sunday
Telegraph of 9/25/66. There
is a reference to your book
vis-a-vis Popkin's that will
please you, in an article
accompanying a filthy
piece by Goodhart,
ridiculing the anti-WR
books. I read someone
else's copy so I can't
be more explicit.

How goes it? I am
in a public debate come
Friday with Dwight McDonald
Bert Griffin + Liebeler — horrors! —
and Lowenfels and Popkin. Sylvia
